ANIMAL CONTROL AUTHORITY

AGENDA ITEM

Fee Schedule

RECOMMENDED MOTION

That Resolution 2021-1 adopting the Silicon Valley Animal Control Authority Fee Schedule be approved as presented.

DISCUSSION

Staff studied SVACA fees and compared them with other animal agencies. The following are the recommended changes.

Spay/Neuter

Staff not only reviewed other public agency fees but also private veterinary fees for this category and have the following recommendations.

Staff is recommending the following SVACA member agency resident surgery fees be increased: male cats from \$60 to \$100, female cats from \$70 to \$100, male dogs under 40 pounds from \$120 to \$175, male dogs 40 to 80 pounds from \$140 to \$225, female dogs under 40 pounds from \$135 to \$200, and female dogs 40 to 80 pounds from \$155 to \$250. We will continue to accept vouchers from the Friends of SVACA and the Palo Alto Humane Society to ensure that animals owned by SVACA residents that qualify can be altered regardless of cost.

Staff is also recommending the following SVACA nonmember agency resident surgery fees be increased: male cats from \$80 to \$150, female cats from \$100 to \$150, male dogs under 40 pounds from \$145 to \$250, male dogs 40 to 80 pounds from \$165 to \$300, female dogs under 40 pounds from \$155 to \$300 and female dogs 40 to 80 pounds from \$180 to \$350. Non-SVACA residents will continue to be advised to contact their local agency for lower cost options if they cannot afford SVACA fees.

Other Medical

Staff is recommending increasing the following for SVACA member agency residents: rabies vaccine from \$15 to \$20, DAPP vaccine from \$15 to \$25, FVRCP vaccine from \$15 to \$25, FeLV/FIV Combo Test from \$25 to \$30, and microchip from \$10 to \$25.

Staff is recommending increasing the following for SVACA nonmember agency residents: rabies vaccine \$15 to \$25, DAPP vaccine \$15 to \$25, FVRCP vaccine \$15 to \$25, FeLV/FIV Combo Test \$25 to \$40, and microchip \$10 to \$45.

AGENDA ITEM NO. 9
Meeting Date: 3/24/21

Lab Processing Fee

Staff is recommending the increase of the lab processing fee from \$100 to \$110 due to a Santa Clara County Health Department fee increase.

Licensing

Staff is recommending decreasing the license delinquent fee from \$50 to \$35. While there would be an approximate loss of \$5,000, staff expects to recover much of the difference by increasing medical fees for out of jurisdiction animal owners as discussed earlier in this report. The reduction will also potentially lighten the financial load of some who may have fallen behind due to the pandemic and may encourage others to renew an expired license.

Dangerous Dog Permit

Staff is recommending an increase from \$200 to \$350 for the annual dangerous dog permit fee as it has not increased in several years and as a result SVACA trails most other local agencies.

WHEREAS, the Executive Director recommends adoption of the proposed Rate and Fee Schedule with certain refinements and clarifications.

*** Licensing**

For owners who are 65 years of age or older, there is no license fee charged for the first animal. In Campbell, Mountain View and Santa Clara, the animal must be altered. Fees will apply to the second and additional animals for such owners.

Since cat licensing and registration is voluntary in Mountain View, fees are set by their city council. Cat registrations and altered cat licenses are \$42.00 each with five year terms. Unaltered cat licenses are \$50.00 with a one year term.

**** Adoption Fees**

SVACA reserves the right to deny adoptions in certain circumstances for cause.

***** Veterinary and Spay/Neuter Clinic Fees**

Campbell, Monte Sereno, Mountain View and Santa Clara residents must be currently licensed at time of surgery. Fees include rabies vaccination.
