Re: Investment Report FY 2023-2024 First Quarter

Dear Members of the Board:

Interest earnings on the Silicon Valley Animal Control Authority's investment through the Local Agency Investment Fund (LAIF) for the quarter ended September 30, 2023 were \$33,924.27. These earnings represented a yield of 3.59% on our principal balance of \$3,752,324.52 of fair value factor of \$3,700,946.71.

California Government Code Section 53646 (b)(2) requires a report of "compliance with the statement of investment policy, or manner in which the portfolio is not in compliance". All investments were in compliance with State law and our Investment Policy.

California Government Code Section 53646 (b)(3) requires a "statement denoting the ability of the local agency to meet its pool's expenditure requirements for the next six months, ..." To the best of my knowledge, the Silicon Valley Animal Control Authority portfolio has sufficient liquidity to meet its obligations for the next six months.

California Government Code Section 53646 (b)(1) requires disclosure of securities "under management of any outside party that is not also a local agency or the State of California Local Agency Investment Fund..." Silicon Valley Animal Control Authority does not hold securities in any trust accounts held in custody by third parties.

I hereby certify that the investments herein are made in accordance with California Government Code Section 53635 and the Investment Policy of the Silicon Valley Animal Control Authority.

Respectfully Submitted,
